A copy shall be given to the student, a copy will be placed in the school's Student Dispute File, and the original will be placed in the student file

1. When a concern arises, the student should first attempt to address it with the individual most directly involved. If unsatisfied with the outcome, the student should submit a written complaint to Student Services. Should this person be absent or be named in the complaint the student should submit the written complaint to the Campus Director.
2. The Campus Director will arrange to meet with the student to discuss the concern as soon as possible and within five school days of receiving the student's written complaint.
3. Following the meeting with the student, the Campus Director will conduct whatever enquiries and/or investigations are necessary and provide a written response to the student that includes reasons for the determination on the complaint. The written reasons will be provided no later than 20 school days following the receipt of the student's written complaint.
4. If the student is not satisfied with the determination of the Campus Director, the student must advise the Campus Director within five school days of being informed of the determination. The Campus Director will immediately refer the matter to the Director of Operations of the Institution. The Director of Operations of the institution will review the matter and meet with the student. If the dispute is the concern about academic issue, the Senior Education Administrator will be involved for resolution. The determination will be notified to student within 20 school days following the receipt of the student's written complaint. At this point the School's Dispute Resolution Process will be considered exhausted.

Students making a complaint may be represented by an agent or a lawyer.

Students will not be subject to any retaliation as a result of their complaint.

After having exhausted the dispute resolution process, a student may file a claim with the Private Training Institutions Branch (PTIB) of the Ministry of Advanced Education (www.privatetraininginstitutions.bc.ca) on the basis that the institution misled the student regarding any significant aspect of an approved program.
